BEGIN CONFINEMENT

Begin Confinement, Continued

**Fast Path ID
and Data
Entry,
Continued**

Listed below are the transactions that can be selected on Screen 1 of 3* of the Begin Confinement event, if the transaction is required or optional, and when the transaction should be used.

Transaction	Option	Used For
Report Member Placed in Confinement (P640)	Required	This transaction is required for this event and must be completed.
Departing Orders to Confinement (L68B)	Optional	<p>This transaction departs the member to confinement (administratively assigns the member to HRSIC (53-66753)). This transaction must be used if:</p> <ul style="list-style-type: none">• the member is sentenced to confinement of 90 days or more.• the member is sentenced to confinement and a unsuspended punitive discharge on the member is approved by the convening authority. <p>Note 1 : Members sentenced to confinement of less than 90 days shall normally be placed in a TAD status for the duration of confinement unless:</p> <p>Note 2: Do not use this transaction for civilian or military pretrial confinement. The member's servicing PERSRU remains the same while in pretrial confinement.</p> <ul style="list-style-type: none">• The member was also sentenced to a punitive discharge.• The assignment authority otherwise considers it unlikely that the offender will be ordered to return to his/her parent command after release from confinement.
Reporting Orders to Confinement (L68B)	Optional	This transaction shall be used if the member is being administratively assigned to HRSIC (53-66753). This transaction reports the member to confinement.
Change SGLI Coverage (P809)	Optional	If member will be in military confinement for over 31 days then this transaction must be used. Members lose their SGLI entitlement at the end of the month in which the 31 st day of such status is reached.
